BUSINESS EXPERIENCE**2020 START-UP, London, United Kingdom**

Summer placement with a business bidding for a place in the LBS Incubator Programme.
Financial Planning Summer Intern (6 weeks)

- Conducted market research on competitors' growth, margins, strategy, and development as well as on the industry to forecast business opportunities over five years.
- Estimated costs and revenues to construct major KPI's such as IRR, net margin, and EBITDA destined to be used in the first round of equity raising.
- Modelled sensitivity analysis to determine most critical cash flows during the first two years of operations and examined several scenarios over five years.

2019 - 2020 NIKE, Hilversum, Netherlands

EMEA Finance Intern, Finance & Strategy (12 months)

- Analysed client receivables collection status during COVID-19, generated daily reports to serve as basis for recommendations to leadership team on focus areas and approach, resulting in a collective decrease from \$318m to \$60m overdue.
- Forecasted \$1b receivables across EMEA to pre-COVID-19 levels over a three-month period in coordination with leader to assist in Nike's financial planning and potential provisions release.
- Developed metrics and operating mechanisms to measure the quality of work performed for Nike wholesale portfolio, resulting in better tracking (+10% reporting) and visibility for managers.
- Extracted and analysed data to perform weekly controls for review by internal and external auditors (Big 4) and supported the relation between the team and the auditors during the end of year audit.

2016 - 2019 SCOUTS, Liege, Belgium

Local division with 175+ members focusing on growth, inclusivity, and community impact.
Head Chief

- Led a team of 10 scouts' leaders all year as head chief and managed treasury as well as relationships with external partners such as businesses and regional associations.
- Budgeted €8K turnover and for-profit events to organize activities every week with different educational missions such as ecology, living with disabilities, self-respect, and development.
- Supervised and prepared four 15 days' summer camp for up to 60 children (8-16 years) and 15 leaders with activities such as three-day orienteering races and survival training.
